## Key points to risk exposure

1. A strict one way system for visitors, clearly marked from our entrance, to the test room, to the exit by stage 4&5.
2. Yellow bins by the entrance next to the office and the exit by the test room, that are for PPE items only and these will be discarded after each site visit.
3. All visitors will be made aware of no food or drink facilities and encouraged to bring their own.
4. No access to the Kitchen for staff or visitors for food/drink/cooking. (hand washing only)
5. Toilet facilities, will be made clear by site plan, marked at the exit door that all visitors use the out door facilities only.
6. Every person, including staff members, have to be entered into the visitor book. Full name and time in and out.

## **MANAGEMENT**

- **Please ensure all staff are aware of reporting requirements and that all confirmed cases are escalated to your H&S competent person .**
- **Information notes are to be sent out and any updates communicated in a timely manner to the workforce.**
- **This must include letting staff know about symptoms and actions the medical professionals are advising people to take.**
- **A colleague who has been isolated for 14 days cannot return to work until the appropriate 'fit note' documentation is provided by their GP/healthcare provider to demonstrate they are now fit to return to work.**
- **Assessments to be reviewed every 6 months or where significant change has occurred**
- **Please remind staff that in order to minimise the risk of spread of infection, we rely on everyone in the industry taking responsibility for their actions and behaviours.**
- **Please encourage an open and collaborative approach between your teams on site where any issues can be openly discussed and addressed.**

**If in England call NHS on 111, if in Scotland call your GP or NHS 24, If in Wales call 0845 46 47 or 111 or if in Northern Ireland contact 0300 200 7885 where you will be assessed by an appropriate specialist.**

**NHS guidance is that you do not go directly to your GP surgery, community pharmacy or hospital unless an emergency occurs**
